Dear Team,

Thank you for your support during these difficult times. As you know, we are based out of Los Angeles. LA has been greatly impacted by the coronavirus. Our schools, gyms and fitness studios, bars and nightclubs, entertainment venues, and dine-in restaurants have been shut down. We have been notified by shipping companies that there is a high chance the ports might close. So, we may soon be forced to go into lockdown.

Elite Lighting has extended shipping and receiving hours. Our goal is to support our agents and distributors and to ship as many orders as possible as we don't know what the future will hold. We advise you to place the orders that you need ASAP so that we can fulfill them. We will be fulfilling orders on a first come first serve basis.

Thanks again for your cooperation.
