Hammond Manufacturing is OPEN for Business

COVID-19 Situation Update - March 24, 2020

Hammond Manufacturing is your rock solid supplier of enclosures, racks, power strips, and transformers. While there is currently a great amount of uncertainty and disruption to daily life and business, we want you to know that we are here to serve you the same as we always have.

Through these times, Hammond is uniquely positioned to continue meeting the demands of critical industries, including medical, because we have always planned ahead:

- Thousands of SKU's and millions of dollars in finished goods inventory ready to ship same day
- Daily shipments are continuing without changes
- Low prepaid freight level and no extra charge for drop ships
- 90%+ order fill rate with fast back order recovery
- All factories still working at full capacity
- Our sales and service teams are working at full capacity and are ready to take your call.

Please Advise Changes With Your Situation

If you have any restrictions on receiving your Hammond shipment, please advise your Hammond Inside Sales representative. Remember, drop shipment arrangements can be made (with some restrictions).

Modified Product Lead Times

We continue to focus on maintaining our promised lead times to the best of our abilities. Realistically, there may be some delays and we'll do our best to keep you advised.

We are all working together through these unprecedented times. Stay well and know Hammond is working hard to continue addressing your enclosure, racks & cabinets, electronic cases, outlet strips and electronic transformer needs.
