

MILBANK
ENERGY AT WORK

Milbank is Open — and Committed to You!

We continue to manufacture products.

We are committed to manufacturing electrical metering products, enclosures and enclosed controls needed by essential companies during this trying time. For the safety of our employees and partners, everyone who can work from home is doing so and our manufacturing team is taking the recommended safety precautions. Our sales team and rep partners will get back out as soon as we are able to do so safely.

In the meantime, **you can still order products through our valued rep network** the same way you always have. Visit our [website](#) to find your local representative.

Milbank, 4801 Deramus Avenue, Kansas City, Missouri 64120, United States, (877) 483-5314
