

To Our Valued CX Clients,

As CX continues to grow, we are expanding our regional distribution strategy to better serve customers across the Midwest.

Effective **April 10, 2026**, our **Chicago branch operations will be consolidated into our Buffalo Grove Distribution Center**. This move allows us to focus on our regional distribution hub and continue delivering the inventory, logistics, and service our customers rely on.

Our Buffalo Grove facility serves customers across a **600-square-mile Midwest territory**, including metro Chicago, northern Indiana, central Illinois, eastern Iowa, and southern Wisconsin. We are also expanding our Buffalo Grove distribution center to support our continued growth.

The Chicago location will remain open through **April 10, 2026**.

After that date, all operations will be supported from:

CX Distribution Center

1700 Leider Lane, Suite 100

Buffalo Grove, IL 60089

847-499-8300
