

CASE STUDY

Client Name:	Berwyn Fruit Market
Market Vertical:	Small Business
Square Footage:	21,600
Annual kWh Savings:	87,785

Project Summary:

Connexion facilitated an energy upgrade project for Berwyn Fruit Market by replacing their (100) 250 Watt Metal Halide High Bay fixtures in the grocery store to 4-Lamp T8 Fluorescent High Bays.

This reduced the energy consumption of the fixtures by 48% while doubling the life of the fixture. They also upgraded their outdoor fixtures which contained 100 Watt Mercury Vapor Fixtures to 2 8" LED Modules that were 13 Watts each. Not only did these upgrade improve the energy efficiency and maintenance costs, they also improved the light output tremendously.

Before

After

We provide complete turnkey services that ensure your project moves seamlessly from concept to completion to measurement and verification.
