

CASE STUDY

Client Name:	Chase Bank
Market Vertical:	Banking
Square Footage:	35,263.39
Annual kWh Savings:	42,073

Project Summary:

Located at 550 Crystal Point Drive in Crystal Lake, Chase Bank and Connexion worked to increase the luminosity around the exterior of the building while decreasing kW usage, and maintenance costs.

Connexion successfully replaced 31 existing fixtures with new Louvers LED retrofit technology. In doing so, Connexion reduced the Kw usage by 75% and also reduced maintenance cost. The upgrade will provide 14% annual return on investment, and Chase Bank will see a full return in 6.9 years.
