

CASE STUDY

Client Name:	Potash Corp
Market Vertical:	Agricultural Industry
Square Footage:	Approx. 4112.79
Annual kWh Savings:	65,357

Project Summary:

Located at 1101 Skokie Blvd in Northbrook, this project revolved around 5 floors of the Potash Building. Reducing maintenance costs while maintaining a well lit workplace was a crucial factor in this upgrade.

Connexion and Imperial Lighting were able to re-design the lighting fixture layout by permanently removing 1,649 fixtures and replacing them with 860 Juno LED recessed fixtures almost a 50% reduction. Connexion and Imperial lighting reduced the buildings Kw usage from 98,209 to 32,852.

We provide complete turnkey services that ensure your project moves seamlessly from concept to completion to measurement and verification.

Initial Assessment:
Objectives & Needs

Fixture
& Lamp Selection
