

CASE STUDY

Client Name:	Riverway Parking Complex
Market Vertical:	Agricultural
Square Footage:	Approx. 118,090
Annual kWh Savings:	54,408

Project Summary:

Riverway office complex approached Connexion and Imperial lighting, to upgrade their lighting technology to create a safer and brighter parking garage, while reducing matience cost.

This was accomplished by replacing all 519 pre-exsiting fixtures with Juno's LED fixture technology. The upgrade increased the lamp life 88,000 hours, signifcatly reducing the matience cost. Riverway will be reciving an annual return of 14% on their investment, paying it off in just 7 years.
