Connexion Celebrates 10 Years

Several key growth initiatives and new sales appointments highlight this milestone year.

2017 ushers in several growth initiatives for Connexion. In Q1 we will be expanding both our digital platform, with the launch of our new e-commerce site, and physical space, with the expansion of our warehouse and office that will effectively double the space in our Buffalo Grove location. In addition to the gains in operational efficiencies, this expansion will allow us to widen our offering of customized jobsite services and labor-saving solutions.

To commemorate this milestone year, we have launched a customer group travel program: "Connexion to Paradise!" Our lavish, 7-night cruise will embark in February 2018, allowing plenty time for our customers to achieve their travel goals throughout 2017. Details of this outstanding trip program can be found at www.cruisewithcxn.com.

With an eye on the future, our marketplace, industry and business trends, and a strong desire to continue to grow and develop our associates from within, we are pleased to announce the following appointments:
